President's Corner

King Lion
Ralph Harding

Its hard to believe that I am writing my final newsletter column as President of this fabulous Lions Club. But, like they say, time flies by when your having fun. And this year has flown by and I have had such a fun and rewarding experience – I recommend the job to each of you lions who haven't been president yet.

What's on the agenda for June?

Our Amphitheater concert series gets started on June 11th when "Crosby, Stills and Nash" will be performing. This will be one of the smaller shows of the year, so we will only be checking ID's and wrist banding – none of our people will be selling beer at this show. The next two concerts however, will be huge:

July 2nd is the "Lilith Fair", where 10 bands will be playing throughout the afternoon and evening and

July 23rd is the "Toby Keith/Trace Adkins" show, which could very well be a sell out (18,000 people).

There are currently 10 concerts on the schedule this season, which runs from June thru October.

Our next activity is our **Installation and Awards Banquet** on Sat June 12th at Club Green Meadows. The festivities will include Jim Terrell installing all of our new officers for our Lions year 2010/2011, and the announcement and presentation of awards to many of our hard working and deserving Lions.

On the third Wednesday of every month, this month its Jun 16th, a group of 6-8 of our Lions will be preparing and serving dinner to over 125 homeless

people at the **Share House**.

The very next day, on Jun 17th our club will be putting on a "Play Day" at Washington Elementary School, where we will conduct about six fun activities for the students to participate in and enjoy. I don't know who really has more fun, us Lions or the kids.

The last event in June is our big **Fresh Strawberry Sale** on Sat/June 19th. Our gross sales for this event is more than any other of our fund raisers and is expected to be about \$18,000 this year. Our net sales will be about \$7,000. Our chairman, Lee Denny has this pro-

Play Day Here We Come!

Play Day at Washington Elementary School
June 17

This is one of our favorite events at the school. Our Club provides a fun day for all of the children. They come through our five game 'stations' one class at a time and enjoy fun, friendly competition type activities. Please consider helping with this event. Donuts will be provided and a nice lunch is always provided by the school staff to thank us for our effort the day of the event. Watch for the sign-up list at the next few Friday meetings.

Hearing Committee Report

Thank you to the clubs listed below, we have enough funding to approve cases for the next several months but funding continues to be at a level future cases may be pended because of lack of funding. Presidents if your club is able to donate funds the low-income hearing impaired of Clark County will be able to continue to receive care.

A Sincere thanks to the following clubs; **RIDGEFIELD, VANCOUVER, FT VANCOUVER, COLUMBIA CREST, CAMAS, ORCHARDS EVERGREEN, HAZEL DELL, LA CENTER, NORTH CLARK, SALMON CREEK**. They have donated funds for Fiscal year 2009 - 2010. Without your support we would not have been able to help the low-income hearing-impaired persons in Southwest Washington. By Richard Giles

Its Strawberry Time!

The date for delivering fresh strawberries to our loyal customers is Saturday, June 19, 2010. As usual, we will be driving to Woodland to pick up the berries fresh off the processing belt. I'll be contacting all those who signed up to pick up berries to finalize our pick up time and the sequence of events for the day. As in prior years we will pick up the berries, keep them as cold as possible, and have them available for pick-up between 10:00 a.m. and 1:00 p.m. If you need more order forms, or posters that have order forms attached, please contact Lee Denny (254.9106.)

State Track Meet For The Blind

This years Track Meet at the Washington State School for the Blind was a huge success.

Although it was raining Cats and Dogs while we arrived, the sun came out just as the events started. We did get rained on a few times, but for the most part the weather was cool, but fine. This was the 37th year of this event and is one of our clubs highlights of the year.

Over 150 kids competed in several events. There were distance runs and sprints, as well as a wheel chair race. The athletes also threw the shot put and the modified throw. There was a standing long jump, high jump and running jump. In the gym were all sorts of games for the youngest of attendees. Ribbons were handed out for the top three finishers of each age group.

25 Lions and 9 guests put in 178 total hours. Thanks to donations by **John-sonville Brats**, every athlete, their family, volunteers, and staff members were treated to lunch. We fed over 300. **Sacred Grounds Coffee** donated the hot dog buns. **IGA** donated the condiments. **Frito Lay** provided the chips. **Clark College Culinary Department** provided 25 cream pies at cost for an afternoon snack. With the assistance from these local businesses our expenses were below budget.

We received many kind words throughout the day for our efforts. It was so much fun watching and cheering on the competitors. It is hard to tell who had more fun, the athletes or us volunteers. We owe a special thank you to DeAnn Miller for recruiting 6 of her fellow workers at **ADP**. Thank you to everyone who helped make this such a successful

event.

Dozer Days! A New Fun Project

By Elaina Hitt

Elaina help a child at 2010 Dozer Days

Last weekend, my mom and I volunteered at **Dozer Days** for the Fort Vancouver Lions Club. I had a blast loading little kids onto the big machines, and watching the looks of joy on their faces as they got to work the machines. When the lines died down, towards the middle of the day, my partner and I would watch the balloons that got loose float away until they either popped, or disappeared from our sight. That was actually really fun.

One little boy wanted to go on the machine really bad. He was tugging on his dad, and trying to cut people to get to the front of the line, but when his turn came, he got scared, and no amount of persuasion, from me or his dad, would get him to ride the machine. So his dad pulled

him away. The minute he got out of line, the boy wanted back on the machine. The look on his dad's face was priceless! Its experiences like that, that make Dozer

Days a great place, both for the volunteers and the kids. I really hope we get to work it next year!

Look at that DIRT!

Sleep Country Amphitheater

By Roy Pulliam

Crosby, Stills, and Nash on June 11th will be the first concert at the **Sleep Country Amphitheater**. We will need approximately 25 workers for this event. If you can be there by 5 PM and would like to help us wrist band attendees please contact Roy Pulliam. We will not have a beer kiosk at this concert.

The next show will be on July 2nd, The Lillith Fair. It will be an all day event. Sheryl Crow and Sarah McLachlan, and Cobbie Caillet are the headlines. We will probably work 2 shifts for this concert and may have to be there by noon. We will need wrist banders, alcohol monitors and help in the beer kiosk for this show. Let us know if you can help.

The rest of the scheduled concerts are:

- July 23 - **Toby Keith and Trace Atkins**
- Aug. 6 - **Miranda Lambert**
- Aug 7 - **Scorpions and Dokken**
- Aug. 9 - **Boys Like Girls**
- Sept. 10 - **Brad Paisley**
- Sept. 24 - **Uproar Festival**
- Oct. 3 - **Jack Johnson**

Check your schedule and help out at as many shows as you can. This is one of our largest fund raising project and we often need over 50 at the larger concerts. Ask your friends and relatives if they would like to join you.

Thank you,
Roy Pulliam

White Cane Day

By Walt Miller

I would like to acknowledge and thank the 32 Lions and friends who participated in the White Cane event on Friday, May 7th, 2010.

We had great weather and from all reports everything went according to plan.

We had pairs of volunteers at 10 different businesses in Vancouver, and had 19 different time shifts at these locations.

We spent a total of 120 hours preparing for and executing the event. Some of this was spent constructing the flags. I am sure that with more training AI will get this right. We even had two Lions, Marilyn Robertson and Helen Sutfin, that took flags home to construct when they had spare time.

White Cane Day Continued...

At our site we had many people thank us for the good work the Lions do and heard some interesting first hand accounts of the differences we make. Together we collected a total of \$1188.21---\$145.00 of that came from the Lions lunch collection!!

I would like to call attention to the businesses in Vancouver that have allowed us to use their sites for this program year after year:

- Fred Meyer - 11325 SE Mill Plain East;
- Burgerville #27 - 2200 E. Fourth Plain;
- Bank of America - 805 Broadway;
- 1st Independent Bank - 1220 Main St.
- ,Liquor Store #117—11717 NE 78th Way;
- Liquor Store #173 - 13875 SE Mill Plain;
- Liquor Store #10 - 1700 Main;
- Liquor Store #106 - 5000 E. Fourth Plain;
- US Bank - 1607 Main St.;
- Burgerville - 11704 SE Mill Plain

Lastly I am listing the names of the people that make programs like this successful and fun to participate in. Without their dedication and willingness to give of themselves, White Cane or many of our other fund raising activities would not be possible.
