Happy New Year Fort Vancouver Lions!! What a special year we are entering. Fort Vancouver Lions is 65 years old this year. We will have information about our celebration of this achievement later. We truly have the best Lions Club in Vancouver because we have such caring and generous members. 20/20 is typically reserved for hind sight, but Fort Vancouver Lions are going into this New Year looking for new ways to serve our community.

What was your New Year's resolution? Ivan Dimitrijevic came up with the top 50 New Year's resolutions and number 5 on that list is to "meet new people." This year let's bring all the new people we meet to one of our Friday meetings as the perfect way to grow our club.

In November, the Walk & Knock was extremely well organized by Adam Hegewald. In fact, the bag folding day had so many volunteers that the bags were folded November 23rd before the pizzas were delivered. Great Job Adam. December was busy. December 7th, over 275,000 pounds of food and over \$10,000 was collected in Clark County by over 3,000 volunteer. Walk & Knock continues to be the largest annual volunteer one-day food drive in the nation. Len and Jen Leger signed

up 79 people, 15 Vancouver Lions, to participate in picking up the food from community donations and transported it to the food bank. Thank you Len and Jen. Our Santa Store was probably the best ever. The children were so delighted and the teachers were very appreciative. The selection of gift choices was colorful and extremely varied. Thank you Linda Licata for your excellent organization skills and all of your wonderful volunteers. Thank you Steve Seymore for being our awesome Santa.

A very special "THANK YOU" to Shelly Brown for another year of superb newsletter editing. Your award winning skills are very much appreciated!!

We have had a wonderful year of service to our community, and we are looking forward to 2020 being even better.

David Rich, immediate past president of the Fort Vancouver Lions club and a FISH volunteer sorts 484 reading glasses donated to FISH of Vancouver. The glasses are a second donation to FISH provided through Rich from the Oregon Lions Sight and Hearing Foundation. These glasses are given free to those in need who come through the doors of FISH. Rich started this program last year and through FISH over 400 pair of glasses have been given at no cost to those with vision problems. Rich's philosophy is that "Just because a person is poor does not mean they do not have the right to see."
