Queen Lion Gay

Roy Pulliam - I talked about the definition of linchpin in my first newsletter. Roy was vital to our organization. Roy had so much knowledge, contacts and energy, certainly a driving force in so many ways in our club and community. He was loved by all who knew him and will be missed very much by everyone whose lives he touched. R.I.P. our friend.

I had a board retreat (or general meeting) on Oct 24th. We talked about the member survey, communications, other service projects for this year, 3-month calendar, board members for 2021, next slate of officers? I am a firm believer in job sharing. If you are interested in any position let us know. We would love to have you work with us and gain more knowledge. Your input is very valuable.

Service projects are very important. During this difficult time of COVID-19 we are finding new ways to serve our community and individuals. With the holidays just around the corner let's remember things have changed a great deal this year. People have lost their jobs or have cut back hours at work. More folks are turning to food banks for help. It is getting cold outside; folks need warm coats. There are so many needs. Our club will help where we can. We are Lions, WE SERVE.

I want to thank each and every one of you for what you do. You are greatly appreciated.

Queen Lion Gay

Lion Roy Pulliam passed away surrounded by family on October 19. He had been a member of FVLC since April 1987. He will be greatly missed for his enthusiasm to serve others and his smiles and hugs!

Catrina Galicz receiving her "Lion of the Quarter" award from Queen Lion Gay!

Each quarter I will award a Lion of the Quarter Award. Catrina Galicz received this award for her work regarding the yard sale in July. Her leadership with this event was very successful for our club and she wanted the funds to be restricted to the Santa Store.

Elaina Hitt will be the program speaker on November 6!

Lions Serving our Community Even During A Pandemic

Fort Vancouver Lions have been volunteering at the Clark County Food Bank by harvesting food at the Heritage Farm Community Garden on 78th Street in Hazel Dell, Vancouver this year. We have also helped the food bank by gleaning unsold food at the Farmers market downtown Vancouver and transporting it to the Food Bank.

The Heritage Farm has a rich history that dates back nearly 150 years to the 1870s, when Clark County started operating a poor farm along the south side of Northeast 78th Street, once called "poor farm road" in Hazel Dell. The site was later used as a research and experimental farm by Washington State University Extension before the county resumed managing the property in 2008.

This year the farm has produced over 100,000 pounds of fresh vegetables and fruit for the Clark County Food Bank. The volunteers that harvest the produce from the farm are managed by a Vista volunteer. Since the cold weather started last week the volunteers have been doing clean up chores to prepare for next year's crops.

This has been a service project that has been both rewarding and a great community service to the Food Bank to fight hunger in Clark County. This year with Covid-19 restraints on service projects, working out in the fresh air has been a perfect way to serve our community.

Yard Cleanup Project

Like an outtake from Beauty and the Beast, a dozen club members and several special guests hoisting rakes, shovels, mowers, clippers, loppers and a variety of other weed whacking weapons rallied to clean up an elderly ladies' yard over a 2-day period this past month. The owner of the property had lost her husband five years ago and many areas of the yard and flower beds had fallen into disrepair. No blackberry, ivy, weed, or long grass was safe from our gallant efforts. COVID restrictions were followed and it was great for members to be together in person, providing community service. Many thanks to volunteers Nancy Brown, David Rich, Terry and Helen Sutfin (who brought a family of their neighbors who worked both days), Doug Wilson, newly transferred in members Mike and Diane Cavanaugh, and our newest members Katey Newland and Shelley Staudinger. By the time our crew was done, the yard was a showcase and the owner was extremely grateful. Our efforts were in the best tradition of our motto: WE SERVE.

Pulliam Peace Pole Dedication

On Saturday October 3, 2020 a group of Fort Vancouver Lions and friends gathered at the Washington State School for the Blind to witness the dedication of the Pulliam Peace Pole. On a cool, overcast, fall day, WSSB Superintendent Scott McCallum told the gathering the dedication had been scheduled to be held during the WSSB/Fort Vancouver Lions Track Meet on May 14, 2020 but had to be rescheduled due to Covid-19.

The Pulliam Peace Pole is dedicated to both Lori and Roy Pulliam to recognize and honor their service to WSSB over the past 40 years. The pole is 6 sided with each side containing two languages with the phrase "May Peace Prevail on Earth". It is written in 12 languages representative of the school including Braille, sign, and three native American languages. Scott explained that WSSB students and faculty decided which languages to include on the pole.

The pole is placed in the center of campus near Ned's Shed, the gazebo where the track meet usually starts. The pole is mounted in a wheel chair accessible cement path and nicely landscaped. It makes a beautiful addition to the campus.

Fort Vancouver Lions Club add their appreciation to Roy and Lori Pulliam for their years of service to the community and our club. We add our congratulations to both Roy and Lori for this well-deserved recognition and honor.
Len & Jenn Leger

Help Us Share The Warmth

Fort Vancouver Lions is collecting NEW coats for children of Washington Elementary School. Currently, many of the children share a coat with a sibling. That means they can only go to school every other day. Vancouver Elementary Schools are scheduled to reopen mid November. This is an urgent need.

Please help. We need businesses to donate funds and our community will purchase coats and we need individuals who will buy coats. We can really make a difference for these children.

Share House Volunteers

Starting **November 18** we can begin volunteering at Share House again. Our shift remains the third Wednesday of every month, and we need three volunteers per shift. The shift will be from 11:00-2:00. We will wear masks and gloves and sit six feet apart. Our duties are totally different from what they were in the past. There won't be a serving line. Instead we will make sandwiches and assemble sack lunches which will be handed out at 1:00. We may also do some prep work for that evening's hot dinners which are distributed in to-go containers. My understanding is that we won't be handing out the dinners. This has always been a fun, heartwarming project, and I'm so glad we can start helping again. Please email me (nancybrownwaf66@gmail.com) or call me at 360-896-4978 if you'd like to help on November 18.

Who's Who in Fort Vancouver Lions Club

Allen Rhyasen Biography

I was born in Lethbridge Alberta, Canada.

At the age of 5, my family moved to Nanton, Alberta, (population 950), a small farming & ranching community where I went from kindergarten to graduate High School in 1965. I enjoyed growing up with my 3 siblings (I was the youngest) in a small town where everyone knew each other.

I moved to the big city of Calgary, Alberta, after graduating high school, and attended the University of Calgary. I graduated with a business degree in June 1969. I received employment with Great West life insurance, married Renee and as newlyweds, moved to Winnipeg, Manitoba. (Central Canada), the coldest place on earth!! I worked as an underwriter for Great West Life until making a career change to sales in 1975. Renee & I packed our green Chevy Vega & crossed the US/ Canadian border with two young boys in tow to settle in Seattle. Seattle was an exciting adventure for us. I sold group medical insurance & 401k plans to corporations.

We moved, once again, to Vancouver Washington, in April 1979, became American citizens, and continued with Great West Life as manager of the Portland, Oregon office. I retired after 34 years with the company. That was truly a rewarding experience that allowed us to raise our beautiful family. Renee got her Physical Education degree from the University of Calgary, & taught the years we lived in Canada. When we moved to the US, Renee stayed home to raise our family.

We added 3 daughters and 2 more sons to our family. (7 children in all-what a blessing and crazy, but a fun time we had!) Today, we have 21 grandchildren that keep us busy, and we enjoy every get together, birthday party, & Sunday dinners, living in the same home for 41 years.

On May 16, 2020 we celebrated our 50th anniversary! And as my best friend Ron Nielsen said "You married up Al".

In Dec. 1969, I became a member of the Church of Jesus Christ of Latter Day Saints & in March 2012 Renee & I served a one year mission to Hong Kong working in the temple there. Living with those beautiful people gave an appreciation of just how wonderful all humanity is & how blessed we are in America. In August of 2014 I served as Bishop of the Columbia Heights Ward (congregation) for 5 years. That experience was truly humbling for me, as members came to me for advice & counseling & I had to rely heavily upon the spirit during those years.

When I retired my good neighbor & friend, Marsel Tingey invited me to a Lion's meeting in downtown Vancouver. I was so impressed with my first meeting that this club sang God Bless America, gave the Pledge of Allegiance, then offered an invocation, followed by an interesting speaker. I was hooked, & for the next 17 years have served on committees, held positions in the club & made very dear friends. I wanted to serve the community that I lived in, but had no idea how much fun it would be.

Living in the United States of America, marrying my beautiful wife Renee, having a career with Great West Life, joining the Church of a Jesus Christ of Latter Day Saints & serving my community through the Lion's club, allowed me to succeed in keeping my life goal written in my Senior High School yearbook to "Live Happily Ever After".

That I have done!

Butte Creek Scout Ranch

I want to share some more information about **Butte Creek Scout Ranch** since so many Lions have asked to hear more about the camp.

Butte Creek is located on 670 acres near Scotts Mills, Oregon just south of Molalla. The camp was purchased in 1968 with a plan to expand camping opportunities for Cub Scouts ages 7-10. But this plan was put on hold until the 1980's when our **fellow Lion Ron Nielsen** was a member of the Cascade Pacific Council's Advisory Board.

When I met Ron here in the Ft. Vancouver Lions Club, he was excited to share his proud memories working on the plans for Butte Creek. The picture above shows the camp back in the 80's. This is Main Street in the heart of camp. As you can see it's a Wild West town that really grabs the imagination. The building on the far end of the street is the camp dining hall. And each campsite where a group of Cub Scouts lives during their 3-night stay at camp has its own distinctive brand---Setting Sun, Lazy B, Yellow Rose, Happy River, Circle T, 2 of Hearts, Flying J, Rocking K, and Walking 3.

The activities boys and girls get to do there still include horseback riding, roping, fishing, gold panning and visiting all the animals on the ranch. In addition to housing Cub Scout camping, the property is an award-winning Clackamas County Tree Farm. And plans are underway to harness the waterpower of Butte Creek itself to provide hydropower which will add sustainability in the future. Boy Scouts of America places great emphasis on Science, Technology, Engineering & Mathematics (STEM) programing for Scouts of all ages thru real-world STEM projects like the hydropower project.

Last month the camp was threatened by the Beachie Creek fire on one side and the Riverside fire on the other. Thankfully, the buildings pictured above, the herd of 70 horses and the rangers who live on site are all safe! Sadly,

all but one of the 11 Scout campsites was burned to the ground. Fundraising is underway to restore the burned campsites. You can learn more at

<https://cpcbsa.org/upcoming-events/rebuild-butte-creek/>

Butte Creek Scout Ranch is currently closed. But several Lions are interested in visiting the camp so I will work on setting up a visit if there is interest. Send me an email shelley.staudinger@scouting.org if you have questions or want to join us for a visit to the Old West

at Butte Creek Scout Ranch.

Thank you, Ft. Vancouver Lions, for many years supporting the Boy Scouts of America.

When you support the BSA your return on investment comes in two ways: First, kids are learning to value community service so they may be more likely to grow up and become Lions someday. Second, Scouting programs provide the three essentials of positive youth development: life-skills- building experiences, youth leadership opportunities, and positive, long-term relationships with caring adult mentors. These will last a lifetime!

**Fort Vancouver Lions Club and Foundation Board Meeting Agenda
Friday, September 18, 2020 10:30 A.M.
Via Zoom in the time of the COVID-19 Pandemic**

Queen Lion Gay Enyeart called the meeting to order at 10:30 A.M.

Board Members Present: Lions Gay Enyeart, Bill Shalaby, Craig Limoges, Helen Sutfin, Rick Giles, Martha Johnson, Doug Wilson, Jennifer Denny, Shelly Brown, and DeAnn Miller. A quorum was present.

Standard Reports to the Board:

Secretary's Report: A motion was made by Craig Limoges, seconded by Doug Wilson and approved to accept the minutes from the August 14th Board meeting.

Treasurer's Report: Rick Giles gave the Treasurer's Report on the Administrative and Foundation accounts. Rick will be reporting balances on the calendar month instead of the time period between Board meetings. Treasurer's Report will stand as presented pending observation.

Old Business

20-21.2 Update Club Rejuvenation Pilot Project Lion Craig Limoges shared that 29 Lions have completed the survey and the results will be shared with the club membership soon. The next step will be for Craig to come up with a written Membership Plan.

20-21.3 Club Policies and Procedures Lion Helen Sutfin and Lion Craig Limoges presented the revised version of the Club Policies and Procedures to the Board. After discussion about revisions, it was decided that Craig will make the revisions and send them by email to the Board for approval.

New Business

Service Projects – Bill Shalaby (submitted in writing after the meeting)

1. Rides with Roy: Due to Roy's health decline, this project has been shelved.
2. Eva Halter and Jennifer Denny's project is ongoing. Renee and Allen Rhyasen participated in harvesting food at the Heritage Farms.
3. Screening Unit: I contacted the three schools: Roosevelt, Ogden, and Washington Elementary: They did not have any firm date for in-person classes. I cancelled the September schedule for the regular screening.
4. Craig Limoges is the chair for the Boy Scouts.
5. Ralph Harding is the chair for the Sight Committee.
6. Share House: Food service has not resumed at the Share House. There are volunteering opportunities please check Share.org for details. Nancy Brown suggested volunteering at Fish.
7. Garage Sale for Santa Store: Catrina Galicz reports that due to COVID-19 and the wildfire smoke, the upcoming date for this event will be changed to next year. Catrina has the collected items for the project, and she is currently selling items on-line.
8. A motion was made by Helen Sutfin, seconded by Martha Johnson and approved for Lion Craig's Yard Clean-up Project on October 17.

20.21.7 Charity of the Month A motion was made by Craig Limoges, seconded by Jennifer Denny and approved to donate \$100 to the Columbia Future Forge Program.

20.21.8 Walk & Knock Give More 24 Due to time constraints, Lion Helen shared the information about Give More 24, happening on September 24 at the regular club meeting. Please put on your social media to promote the fund raising to support the Walk N Knock Food Drive, which has experienced unexpected costs due to changes needing to be made.

Good of the Order: Lion Gay is exploring the option of dropping the bulk postal rate permit. The Board decided to have Gay check the facts about the cost and the renewal process.

Meeting was adjourned at 11:40 A.M.

The next board meeting will be October 16, 2020

Respectfully submitted,
Shelly Brown

Lions Sight Foundation of Clark County Zoom Meeting Minutes October 6, 2020

6:30: Meeting called to order by Jeff Fish

Attending: Jeff Fish, Bill Lundin, Ralph Harding, David Page, Susan Nellor Harry Barrett, Stephanie Starke O'Dell, and Casey O'Dell.

September minutes: Jeff asked for a motion to accept the September minutes. David Page made the motion, Ralph Harding made the second. No opposed, minutes accepted.

Treasurers report: Checking account September balance \$6,500. Orchards Evergreen donation of \$500.00. New total \$7,072.00. Vouchers paid \$625.00. Ending checking account \$6,447.00 28 pending vouchers estimated at \$3,200.00. Endowments, investments and savings account balance of \$50,176. \$520 of interest since January 2020.

- Jeff Fish began the meeting by explaining that during the summer months due to the closures of partner clinics and health issues with several board members, just the Executive Board met.
- Old Business: "Give More 24", a Salmon Creek Lions Club on line fund raising event in partnership with the Community Foundation of Southwest Washington raised \$4,200.00. Thank you Salmon Creek.
- There was a revisit of the discussion of changing the qualifications of applicants. The areas involved were: Residency, Citizenship, and adding a ethnicity section for statistical tracking. After a lengthy discussion, the topic was tabled for another meeting.
- Jeff Fish said he was working on the letter to the Price Foundation explaining how our Foundation has used their award. A copy of that letter has been placed in the Secretary files.

New Business: Susan Nellor reported that she submitted a grant request for \$17,000 to the Clark County Realty Foundation. The closing date was October 15, 2020. No results, yet.

Patient Care Coordinator report: David Page sent out an email detailing the activity. It has been included in the Secretary's file. The concern of using outdated application forms was brought up. David reported on one solution, he has been in contact with all referring agencies to destroy outdated paper application forms and to switch to our electronic version.

To encourage electronic filing it was proposed that applications mailed in using outdated paper forms will be returned to sender accompanied by a letter explaining how to access the preferred on line method. Jeff asked for a motion to approve this change. Bill Lundin made that motion, Susan made the second. David said he would create the letter to accompany the request to file on line. Bill said there were already 15 paper vouchers that need this letter. Postage reimbursement will be available.

David Page updated us on the success of his data base protecting us from paying for application violations. Ralph Harding volunteered to continue transferring paper applications to the on line system to ensure accuracy of David's data base.

The meeting was adjourned at 8:00 p.m.

Next Lions Sight Foundation meeting on November 3, 2020, 6:30 p.m.

Respectfully submitted,
Susan Nellor, Secretary
