Queen Lion Gay

The days are getting longer. We have had such beautiful weather for this time of the year, especially in the Pacific Northwest. Really makes you feel good inside and out. Just like volunteering and serving.

It's time to think about new officers for next year. Our nominating committee: Allen Rhyasen, Bill Shalaby and myself are working on a slate of officers for the 2021-2022 year. Seems like a long way off but it will be here before we know it. I encourage our new members to become board members. Your ideas and voices need to be heard.

This morning I attended a district meeting via zoom titled SWOT: Strengths, Weaknesses, Opportunities, Threats. We can also look at this at the club level.

Strengths: Projects, volunteers and a long tradition for doing good in the community are a strength of our club. We have good leaders now and for the club to grow, we need new members to step up, take on positions we need to fill and share their ideas and experiences. I love to hear new ideas and new experiences.

Opportunities: Funding is down, but it has always been a strength of our club. We need to be open to trying new ideas. The membership committee has done a great job putting together our club plan this year. What we need to do is keep it going and not let our planning fall through the cracks. The Mentoring

Program has been one of our strengths. We will continue to offer training opportunities to new members.

New Club Development is a discussion our club can have. Are there areas of growth in Clark County that deserve a Lion's club? A club goal can be to help others to find the reward we have found and what can we offer them. This takes a lot of work.

Weaknesses and Threats: We need to work on positive sharing in our communication.

I am very proud of our club for how we have made things happen during COVID-19. I really appreciate the enthusiasm I hear at each weekly meeting. We have great members, great board of directors but I wish we could hear from members that do not attend zoom. Write us a letter. Let us know how you are. You are missed.

Share House Volunteers

On November 18, we began volunteering at Share House again. Our shift started at 11:00 am and we worked for 1 1/2 hours making sandwiches. We wore masks and gloves and worked six feet apart. This has always been a fun, heartwarming project, and I'm so glad we can start helping again. If you'd like to help on February 17, please email me nancylbrownwaf66@gmail.com or call me at **360-896-4978**.

Lion(s) of the Quarter

Two Lions were chosen for Lion of the Quarter October - December, 2020.

- ◆ **Eva Halter** for her outstanding work with the Santa Store which involved organizing the gifts for students and grant writing and getting quilts donated for the students at Washington Elementary.
- ◆ **Jenifer Denny** receives this award for starting the coat drive this year for students at Washington Elementary in conjunction with the Santa Store. She was also instrumental in getting outside businesses to support this cause with donations.

Thank you ladies for your hard work.

Washington Elementary—Back in Session

Washington Elementary, like all Vancouver School District buildings are carefully returning students to the classroom after a very long time spent at home with computer screens, and their teachers efforts to keep the learning process going via Zoom.

Furloughed classified employees have returned to their duties as well. Kindergarten has been attending for a while, but starting January 25, 1st and 2nd graders will return and alternate days of attendance.

February 1 - all 3rd, 4th, and 5th graders will do the same.

Ft. Vancouver Lions will help with supplies when all students return and the need is clarified. Volunteers are still not allowed on campus, but could change as vaccinations are completed.

Ft. Vancouver Lions To Help Clark County Food Bank

Saturday, March 13 is set to take supplies to the **Clark County Food Bank** in the Minnehaha area. Tell your friends and neighbors.

Very simple!

Please meet/bring your shelf safe food items to Hudson Bay High School parking lot (near tennis courts) between 9 a.m. - 1 p.m. We will drive/caravan to the Food Bank. We will pull in and someone will remove our items and off we go.

Let's see if we can take at least 100 lbs. of food to the food bank.

Here's what they need:

- | | |
|-----------------------------------|------------------------|
| canned meats | personal hygiene items |
| canned tuna | diapers |
| canned fruits | tissues |
| peanut butter- plastic containers | paper towels |
| toilet paper | cleaning supplies |
| pet food | |

Shelf safe foods are those foods in cans or packaged to open easily; such as pull tabs.

Looking for a couple of people to help me hang out and organize the caravan. Easy gig, great pay. Let me know if you could help.

Pulliam Mod Pizza Night

On Monday November 30th, Fort Vancouver Lions, family, friends joined us in a Mod Pizza feed in honor of Roy Pulliam. Roy promoted these eating fundraisers primarily at Beach's restaurants over the years.

On that night about 50 of us came, saw, and ate over \$500 worth of Pizza netting the club just over \$112! Then a miracle happened. Friends of Lori & Roy's and Lions members donated a total of an additional \$700!! Wow, way to go!!

On **Monday March 1st** we are holding our next Pizza Night!
We need friends and neighbors to go to the site and commit to eat, as 20 people are needed for a minimum.
Please go to the "click here for details" below:

Second Mod Pizza Fundraiser- March 1, 2021

Being in the Red Was Unacceptable

The Santa Store ended up in the red for 2020. We spent almost \$300 more than we had. To correct this deficit Michele Drushel, Gay Enyeart and Eva Halter decided to have a garage sale on January 16th. We advertised in the Columbian and had signs up. The weather cooperated, it was cold but sunny. The merchandise included baby furniture, decorator mirrors and pictures, Lenox China and Gorham crystal Nativity sets, Fitz and Floyd serving wear and lots of great books. A lot of the donations came from Joanne and Katie Zimmer, former Fort Vancouver Lions.

When all was said and done we cleared \$355. That means we are officially in the black for the Santa Store Budget and we have a start on the fundraising for 2021.
Good Job Lions! Eva Halter

RECYCLING EYEGLASSES

One of the core mission of our organization is to help the less fortunate of this world in the area of sight. We are in a unique position as Vancouver area Lions to accomplish this task. Vancouver, Washington is one of fourteen satellite locations in Multiple District 19 for the Northwest Lions Eyeglass Center (NW LERC) housed in Lacey Washington. These satellite locations gather used glasses from many different drop-off locations throughout their areas. Current collection locations include grocery stores, optometrists' offices, medical centers, senior citizen centers, libraries and banks to name a few. Ten clubs from Clark County and two clubs from Skamania County gather the glasses that are stored until there is enough glasses to send up to NW LERC. Prior to the access restrictions that have been imposed on the Port of Vancouver where the collected glasses had been stored, an eyeglass sorting party would be conducted. Glasses were sorted into four boxes, Multiple vision, Single vision, Sunglasses and Unusable metal and plastic frames. Soft eyeglass cases were also recycled. The only items not recycled were loose lenses and hard cases. An agreement was made with the Longview Satellite to now send all the collected but unsorted glasses from the Vancouver satellite to their satellite location where they regular conduct sorting parties. They have a team of dedicated Lions who on a regular basis meet and sort the glasses. After the glasses are properly sorted, they are shipped to NW LERC. The Vancouver Satellite, on average, sends around 15,000 pairs of glasses to NW LERC. Recently, in two separate trips, a total of around 18,000 glasses were sent.

NW LERC goes thru a process of determining which glasses will be suitable to be reused. On average only about 10% of all glasses collected pass the test for reuse. Once the glasses are accepted as usable, they are cleaned and measured by a lensometer and categorized. These glasses are then used on various mission in less developed nations. A complete description of what goes on at NW LERC can be found on their website, lionsnwlerc.org.

In summary, because of the efforts of Lions around the Vancouver area, we continue our mission to help the less fortunate in this world.

Environmental Project: The Fort Vancouver Lions are a team for the Clark County WasteBusters Challenge!

WasteBusters is an annual waste reduction competition for organizations and individuals in Clark County hosted by the Green Neighbors program. The Fort Vancouver Lions Club will sign up as a team committing to reduce waste and foster sustainable habits for the 21-day challenge between February 22 through March 15. The challenge provides opportunities to attend virtual events, complete weekly challenges, and answer prompts to share ideas with the community!

Once registration is open, Doug Wilson will sign up the Fort Vancouver Lions for the Clark County WasteBusters Challenge and invite the club to join. Everyone signed up will receive a reminder email when it is time to kickoff the challenge. After the challenge begins, we can monitor the WasteBusters website. The WasteBusters site has its own social media platform where you can respond to the prompts, post challenge updates, interact with the community and learn about waste reduction. Watch for posts from the WasteBusters team page on the Challenge Dashboard to be prompted to reduce waste and earn points.

Team members earn points by attending virtual events, completing weekly challenges and answering prompts. Participants who earn over a certain number of points are entered into a drawing for a grand prize.

This year's pledge options include:

- ◆ To reduce food waste, I pledge to use up, or freeze, all of my fruits and vegetables before purchasing new produce items.
- ◆ To reduce paper waste, I pledge to enroll two accounts (i.e. credit, banking, utilities) in paperless delivery.
- ◆ To reduce textile waste, I pledge to repair, swap, or buy second-hand clothes instead of purchasing new clothing items.

Who's Who in Fort Vancouver Lions Club

Michelle Druschel

I am the oldest of seven children (5 girls and 2 boys) and have lived in the Pacific Northwest my entire life. I have two grown sons and one 4-year-old granddaughter, Ayen. She likes to meet my friends so don't be surprised if she pops in during one of the Zoom meetings to say hi.

In 1956 we moved from North Bonneville to Stevenson, Washington. Both sets of grandparents lived there and the property my dad built our home on was just up the hill from his mom's, my Grandma Evelyn. We were excited to have woods to play in, a creek to wade and catch salamanders in, and about being able to sneak down the hill through the tall grass to eat ground cherries and strawberries out of my grandmother's garden. She also had plum, apple, pear, and cherry trees we got to pick the fruit off the trees whenever we wanted.

Both of my grandmothers had owned restaurants and it wasn't unusual for me to stand next to them on a chair, with my apron on, learning to cook. Grandma Evelyn taught me to knit and crochet also. Now my granddaughter stands next to me on a chair, learning to measure flour, etc. Before COVID, recreational activities included hiking with my youngest sister, jewelry making with another friend, and wine tasting with my exercise buddies. I look forward to a time when all those things are doable again. Meanwhile, Ayen and I "garden" in the back yard. I pull weeds, she digs up worms, names them, and builds them "mud castles" to live in.

One of the first skills my mom taught me was ironing. I started on handkerchiefs and pillowcases, then moved on to my dad's shirts. When I was good enough, she brought me with her to help iron for a mother of 9 with bad varicose veins in her legs. This was my first volunteer job and I loved that I could help someone else. Mom always said, "If you can, you should help. You may not have money, but you have your hands and time, put them to good use."

Dad would chop wood and do other odd jobs for older neighbors to help them. He always said it was important to help those that needed it. I'll never forget the visit when he was just getting home from cleaning gutters for the "old people", dad was 81 at the time.

My first job (other than babysitting) was at Jantzen. I started in the file department and then moved into Sales Service. While there I worked with the men's military division and then transferred into the misses' division, working first with the smaller stores and then with the major department store chains from across the United States.

I left Jantzen in 1987 and began working for a property management firm in Vancouver. I was there until February of 2017, when I retired. I worked in several areas of the company and when I retired was the payroll and benefits administrator.

While working for the property management firm, I decided to go to massage school. I graduated March 17, 2001, just before I turned 50. Massage was my "fun" job. Since I didn't make my living doing massage, I could donate a lot of my time to charity fundraisers, one of them being the Veteran's Court Board. I ended up volunteering at several of their events which is how I met Eva Halter, whom you all know is responsible for my joining the Lions Club.

I love honoring the values parents instilled in me and can't think of a better organization or group of people to accomplish that with than the Lions.

Join us in the Fort Vancouver Lions Club Patriotic Flag Project

The Fort Vancouver Lions Club, in conjunction with the Marine Cadets of Washington, invite you to join your neighbors in proudly displaying the American Flag in front of your home. This program gives residents of your community the opportunity to show their **pride and love** for our country.

In exchange for an annual subscription price of **\$50.00**, we will place a 3' X 5' American Flag on a 7-1/2' white PVC pole in your lawn on the Flag Holidays listed below and then, late the same day, the flag will be picked up and stored for the next flag holiday. A temporary piece of rebar will be installed in the ground 11" below the surface (does not violate call before you dig) in the middle of your front lawn which will hold the flag in place. The Flag will be the property of the Fort Vancouver Lions Club and will be leased to the homeowner on the holidays shown above. Seeing these flags lined up along the streets in your neighborhood is truly an impressive site, so we encourage you to talk to your neighbors and get everyone involved.

2021 Flag Holidays

**Fort Vancouver Lions Club and Foundation Board Meeting
December 18, 2020 10:15 A.M.
Via Zoom in the time of COVID 19.**

Queen Lion Gay called the meeting to order at 10:20 AM

Board Members Present: Queen Lion Gay, Eva Halter, Martha Johnson, Allen Rhyasen, Doug Wilson, Bill Shalaby, Rick Giles, Jennifer Denny and Shelly Brown. A quorum was present.

Standard Reports to the Board:

Secretary's Report: A motion was made by Allen Rhyasen, seconded by Eva Halter, and voted to approve the minutes from the November 20, 2020 Board Meeting.

Treasurers Report: Lion Rick presented the Treasurer's report. There were some expenses from the Administration account during this period. There was a discussion about funds in the Foundation account. The Treasurer's Report will stand as presented pending observation.

20-21.3 Club Policies and Procedures Lion Gay mentioned that she sent out the updated Policies and Procedures. She asked for a couple of minor changes to be made. With those minor changes made, a motion was made by Allen Rhyasen, seconded by Martha Johnson and approved by the Board to accept the Policies and Procedures Manual.

20.21.10 Santa Store Project – Eva and Washington Elementary School were delighted with the outcome of the Santa Store project. There were 18 volunteers. There were over 300+ volunteer hours involved in this project! All families were given a quilt in addition to the gifts as well as coats for all of the students. The extra coats will be at Washington Elementary School and shared with other high need schools.

20.21.13 Associate Member Dues – Gay shared that the Associate Dues we charge are indeed \$20 and that is what is stated on the website.

20.21.14 Global Showcase for Spring Conference Item tabled until Helen is available to discuss.

20.21.15 Covid-19 Safety Officer Need to keep looking for someone, and/or just need to remember to follow the guidelines defined by the CDC.

New Business:

Shed: Allen, David and Steve went to the shed to take inventory. The Sight Committee has a large credenza of information in there. Tables are old and heavy. Allen has a video of the contents. Bill suggested that we need a paper list of the inventory.

Membership Committee:

LCI Member's Dues Structure: Lion Rick has gathered information from LCI and MD19 about the various classifications of member's dues. He will send out a spread sheet to the Board. This will be discussed at the next meeting.

For the Good of the Order: Reminder that we need to stand during the Pledge of Allegiance. Gay will share with the club at meetings.

Meeting adjourned at 11:26 AM

Next Board Meeting will be January 15, 2021 at 10:15 AM.

Respectfully submitted,
Shelly Brown

**Lions Sight Committee of Clark County
Zoom Minutes
January 5, 2021**

Attending: Jeff Fish, Bill Lundin, David Page, Ralph Harding, Mike McCamish, Harry Barrett, Stephanie O'Dell, Casey O'Dell, Susan Nellor, guest: Jamy Borbidge, Community Outreach Director, Pacific University, School of Optometry.

Meeting called to order at 6:30 by Jeff Fish.

Jeff deviated from traditional meeting format to invite Jamy Borbidge to report on the December 16, 2020 Screening event. Jamy informed us the event went off without a hitch. Seven patients were screened, six were prescribed glasses and one patient was referred on to a special eye clinic. 4th year students practiced skills from helping patients select frames to crafting the lenses. All the lenses and frames were donated. The finished eyeglasses will be sent to David Page and distributed to the patients. The next screening event will be held on April 7th, same location time at the WSSB. Jamy thanked Jeff and David for their on site presence on December 16 as well as praising Ralph's extra efforts to call each of the clients to remind them of their appointment time and for arranging a last minute fill in patient. She suggested that the reminder phone calls be made again for the April 7 event.

Approval of December minutes: Jeff Fish asked for a motion to approved the minutes as presented. Ralph Harding made the motion, Harry Barrett and David Page seconded. The minutes were approved.

Treasurers Report: The December ending checking account balance was \$11,872. Ralph Harding announced a \$1,000 donation from the La Center Lions Club which raised the ending balance to \$12,872.

20 vouchers totaling \$2,275 were paid. The ending balance at the time of the January meeting is \$10,597.

31 vouchers were not redeemed. If they were to be redeemed the cost would be \$3,534.00. Jeff Fish asked for a motion to approve the Treasurers report. David Page so moved. Bill Lundin seconded the motion. Ralph's report was accepted as presented.

The Endowment has a balance of \$65,000; combined total of checking and endowment is \$76,066. \$813.68 of interest earned thru December.

Patient Care Coordinator Report: Ralph Harding processed 33 applications; 6 were denied: 4 because of sufficient funds, 1 was too soon and 1 was a non- Clark County resident. 27 vouchers were approved and have been sent out.

Old Business: Jeff Fish is continuing to market the Marshall Tucker electric guitar. Bill Lundin may have a lead to facilitate its sale. Ralph Harding is finishing up the PCC job description so that position can be effectively marketed. The goal continues to be to find a new PCC or at the least an assistant for Ralph. No other old business.

New Business: No new business was brought up.

Good of the Order: Salmon Creek Lions Club is sponsoring a Shredding event on Saturday, January 30, 2021 from 9:00 a.m. to 11:00 a.m. in the Salmon Creek Chucks parking lot. Money donations will be gladly accepted.

The meeting was adjourned at 7:10.

The February meeting is scheduled for Tuesday, February 2, 2021, at 6:30 P.M. via ZOOM.

Watch for the invitation, all interested individuals are welcome.
