VOLUME 67 ISSUE 10

**Queen Lion Gay**

We all have heard this phrase "April showers brings May flowers." To me it brings so much more. New life is popping up in the form of flowers, trees have blossoms, the fresh air. Mason bees are doing their job pollinating. We are doing the great work of Lion's, "SERVING". We see new life all around us. It is a natural time to grow our membership.

By the time this article is published in the newsletter we will have presented our slate of officers for the upcoming year. This is not an easy task for the nominating committee. I remember attending a seminar called bringing out the leadership in you. The bottom line is whether you are President, Governor, committee chair, or active member, you are leading. I love co-chairs. If we work as a team we can help each other. Yes, you can do this.

My first newsletter I talked about the meaning of linchpin. It is defined as a person or thing vital to an enterprise or organization. We need them and their energy. And we need those folks to train others and share their experience.

Let's keep up the great work we are doing and finish strong.

I miss seeing our members in person. Zoom is working. Thank you, Dotty, for setting this up for us. You are appreciated. Hoping soon for in-person meetings!!!

Spring Conference is right around the corner. The Lion's International Convention is via zoom. Only \$50.00 for early registration. I know there will be great inspirational speakers. There is always a wealth of knowledge to be shared. Let's sign up and refresh ourselves.

Thank you, Fort Vancouver Lions Club, for everything the club has done this year. As a team we have kept moving, done things differently and created some new projects. Well done!

**April Program Information**

**April 2** - James Kasper. Owner of Kasper Sandblasting  
 Recovering addict who has put together a group of friends and remodeled the Value 8 Motel for clean and sober folks. Also has groups going and coming for help at the office he bought (the old Denny's on 4th Plain). Interesting man. What a story he has.

**April 9** - Sarah Desjarlais - manager of Office Moms and Dads. Eva or Gay will introduce her that day. Sweet, sweet lady who really needs our help.

**April 16** - Tracy Wasden - from Meridian, Idaho. (She is also my daughter-in-law). Runs her families' Gibbney Foundation. She will join us via zoom from Meridian and tell us about running the Boston Marathon several times, including a time with a sightless runner. She was also in the race when the bombs went off. Great story, cute gal. I love her to death.

**April 23** - James Brown - Correction Officer at Larch Mountain. Neat, BIG guy who you'll just love. He's my neighbor. And now I think he's one of my kids. What fun. He's really got some stories.

**April 30** - Alan Hamilton - Director of the Clark County Food Bank. He's very proud of our food collection efforts, and REALLY looks forward to thanking us and telling us everything about the food bank. Nice guy.

## Fort Vancouver Lions in The Columbian

### Volunteers collect donations for Clark County Food Bank

By Anthony Macuk, Columbian business reporter

Published: March 13, 2021, 6:12pm

Clark County residents adapted quickly in December when the annual Walk & Knock food drive was reimaged as Drive & Drop for the pandemic era, and on Saturday a group of volunteers decided to see if that community enthusiasm could fuel a second round of donations for the Clark County Food Bank.

December's Drive & Drop brought in more than 134,000 pounds of food and an exceptionally large round of cash donations, according to the nonprofit's website, but the new format was not able to fully match the usual Walk & Knock intake – 2020's food tonnage was a little more than half of what the drive collected in 2019.

Craig Limoges of the Fort Vancouver Lions Club said the club's leadership hoped that a new food drive following the same model might be able to make up some of the difference. A supplemental drive in March had never been done before, so he said the club kept it relatively small-scale, treating it as a sort of experiment to see how the community would respond to an early spring event.

"It's a learning experience," he said.

Saturday's standalone event didn't use the title Drive & Drop, although it followed a similar collection setup in the parking lot of the Living Hope Church on Northeast Andresen Boulevard, focusing on non-perishable food and cash donations.

Most of the volunteers were from the Lions Club or members of Boy Scout Troop 358, which meets at the Vancouver Church in Hazel Dell. The scouting group is heavily involved in food drive efforts – the troop's assistant scoutmaster, Adam Hegewald, is also the vice president of operations at the Walk & Knock nonprofit.

The Drive & Drop model proved to be especially popular with seniors, Hegewald said, because the pandemic has severely curtailed their ability to visit public places and participate in community events. A high proportion of Drive & Drop donors were above the age of 50, he said, and the same pattern appeared to be happening on Saturday.

"It's been great for those folks," he said.

Later in the day, Limoges said donor traffic had started out slow but picked up throughout the morning, and the drive pulled in an estimated 2,000 pounds of food by the end of the day.

Saturday's event was planned as a one-off, but Hegewald said the Lions and Scouts could end up planning follow-ups or establishing a new recurring event depending on the kind of response the first attempt garners a strong response.

"I could see this happening maybe once a quarter or even semi-annually," he said.

The challenge would be to avoid bumping up against other regular food drives, he added, because the group doesn't want to "muddy the waters" and siphon away participation from other events like the annual Letter Carriers' "Stamp Out Hunger" food drive in May.

The need for food support is at an all-time high due to the COVID-19 pandemic. In the Clark County Food Bank's 2020 Annual Report, president Alan Hamilton wrote that "we've never seen demand like the 2020 COVID-19 pandemic brought our way" – although he also noted that the bank brought in more food than ever, in part because "food drives sprung up everywhere."

In another example of a new impromptu food drive, the Vancouver Sunrise Rotary Club announced Wednesday that it has teamed up with the owners of Kafiex Roasters in downtown Vancouver to set up a donation drop-off site at the coffee shop on the weekend of March 20.

The timing is intended to coincide with the return of the Vancouver Farmers Market that same weekend. The market sets up along Esther Street between West Sixth Street and West Eight Street. Kafiex is located at the upper end of that block, at 720 Esther Street.

## We Need More People Like You!

Now is the perfect time to invite your very nice neighbor, friend or relative to join Fort Vancouver Lions. There are dozens of reasons why this is an excellent idea: Lions Club is the largest service organization in the world, "We Serve" isn't just our motto it is our purpose and our community benefits from our service, the very nicest people in the world are members and great friendships are forged.

But wait there's more!! Right now when you sponsor someone to join Lions you will have your name in a district-wide drawing for a week's lodging in Maui in District Governor Doug Harvey's condo. The Condo is a one bedroom with a kitchen and can sleep 4. The accommodations can be upgraded to a 2 bedroom that will sleep 6 with a small fee. Isn't that awesome?

**Wait, Wait, Wait** there is still more. Your name will also be entered in a second (club-only) drawing with each new member you sponsor. Rick Giles is giving a 2 or 3 night cruise on his beautiful 45' Hunter 45DS sailboat. Options are 2 or 3 nights in the San Juan's in July or South sound in August, the time and date to be determined by the winner and Rick. Now is the time to invite new members to join our merry band of lions.

*The fine print: (1) the winner of the Maui drawing must provide his/her own transportation and food. Lodging is free. (2) All sponsors of dues-paid new members joining between 7/1/2020 and 6/30/2021 are eligible.*

## Queen Lion Gay Wins Lions Super Bowl Contest

On February 7, 2021 the Tampa Bay Buccaneers defeated the Kansas City Chiefs to win Super Bowl LV.

The Tampa Bay victory gave Queen Lion Gay Enyeart enough points to win the Lions Super Bowl Contest.

There were 19 Lions, family and friends participating in the contest which included all phases of the NFL playoffs. Gay correctly picked winners at each level. She was proud to tell us that she had no help, she did it on her own. The top prize was \$57.00. Second and Third prizes were shared by Jenny's brother and nephew from Pittsford NY. She assures everyone there was no collusion.

There are many sports fans participating in the March Madness contest mid-March — early April.

## Fort Vancouver Lions Celebrate a New Blessing

Lion Jeni and Ryan Norman had a baby boy in February. Lions sent cards including checks or gift cards. Jeni and Ryan had a delightful time going through the cards. They wanted to share their appreciation for all of the love!

## Who's Who in Fort Vancouver Lions Club

I was born in southern Oregon as the second of four children (two girls followed by two boys). When I was still quite young, we moved to the family dairy farm near Coquille, Oregon (my grandparents, two uncles and their families also lived on the farm – and another uncle and his family lived in town). After my father decided he did not enjoy being a dairy farmer, we moved to Charleston, Oregon and he switched to farming the sea. After fishing for a few years, he also opened a seafood market – and he was a master at smoking fish. We all helped with this venture...and I must tell you that for several years after I left home, I did not enjoy eating seafood. Now that fresh seafood is not as easily available to me, I appreciate it much more.

I moved to Virginia for about four years – and “mostly” enjoyed my time there. Moving from a very small coastal community to the hustle and bustle of a large metropolitan area, discovered there were a few issues that I had to deal with: going from driving on mostly 2-lane roads to ones with 4 or more lanes, congested traffic, lots of people, heat, humidity, and BUGS. There were also many interesting things to do and see. So much history. Was able to visit Washington, DC, Colonial Williamsburg, Jamestown, and many other historical sites. Returned to Oregon by driving across the country and settled in Corvallis before moving to Eugene, and then ending up in Vancouver. I have lived in Vancouver for more than 40 years – and really like the location: many things to do/see in the area; close to airport, mountains, beach, and desert; and close to family. Since my home is centrally located, my family visits often (not so much during COVID-19, though).

I retired from Portland State University the first day of 2015, after working for more than 38 years. I love retirement. Now paid to not work, to enjoy anything and everything, and do not have to commute to Portland. I enjoy travelling. Before retirement, was only able to travel during vacation times. Since retirement, I have been taking four to six trips a year, mostly other countries. I want to visit the locations that are more arduous while I am still able to easily handle it. Also enjoy hiking, reading, gardening, puzzles, and (best of all) eating. I have one daughter and she has two daughters (4 and 6 years of age). They live locally, and I am able to see them on a regular basis. My daughter is a nurse and her husband is a stay-at-home dad until children are both in school full-time. Since he is at home, it has been much easier on their family during COVID-19 times

This past year has been an interesting experience. All my trips for 2020 were changed to 2021 – and now to 2022. Never before have I spent so much time at home. Since I have been staying home so much, have been doing projects around the home. It is amazing what you are able to ignore when you are busy doing fun stuff. I did plant a garden (first one in many years), and since COVID-19 is still around, will probably plant another this year. So nice to have fresh produce with no chemicals. The garden keeps me busy...and my granddaughters love to help. I also have apple, plum, and prune trees and have been enjoying the prunes I dried this past fall

John Lyons lives next door, and he invited me to a few FVLC events over the years. He then suggested I consider joining. In early 2020, I decided to join and have been becoming familiar with programs and members (through Zoom meetings). I do like helping others, and this is another opportunity to do so.

In addition to being a member of FVLC, I am currently the Treasurer for the Columbia Cascade chapter of Friendship Force International and also a member-at-large for the Retirement Association of Portland State University (of which I am a hiking club member). I have come to appreciate Zoom meetings as no longer have to drive to meeting locations, fight traffic, or find parking.

I look forward to becoming better acquainted with fellow members of FVLC.

**Fort Vancouver Lions Club and Foundation Board Meeting  
Friday February 19, 2021 10:00 A.M.  
Via Zoom in the time of COVID 19**

Queen Lion Gay called the meeting to order at 10:00 AM.

**Board Members Present:** Queen Lion Gay, Bill Shalaby, Martha Johnson, Helen Sutfin, Craig Limoges, Rick Giles, Jennifer Denny, Shelly Brown and guest Mark Mansell. A quorum was present.

**Standard Reports to the Board:**

**Secretary's Report:** A motion was made by Lion Rick, seconded by Lion Craig, and approved to accept the minutes as presented from the January 15, 2021 Board Meeting.

**Treasurers Report:** Lion Rick reports that the dues have been paid for LCI. Two deposits have been made this year that were funds from the previous fiscal year. When money comes in for dues that includes extra funds, money is transferred to the Foundation account. The MD19 dues are still to be paid. A motion was made by Lion Helen to send \$1,000 to LCIF, seconded by Lion Craig and approved by the board. The Treasurer's Report will stand pending observation.

**OLD BUSINESS**

**20.21.17 LCI Proposed Dues Increase** No discussion at this meeting.

**NEW BUSINESS**

**20.21.19 Fundraising** Lion Allen has submitted a proposal for a Shred Day Event on Saturday, May 22, 2021 at the United Methodist Church on Mill Plain. Lion Ralph helped to secure the location. There will be signs made that will be able to be reused. Lion Allen is working to get 6 corporate sponsors. A motion was made by Lion Rick, seconded by Lion Shelly to approve this upcoming project.

**Service Projects** Lion Bill shared the following announcements:

Wanda reported that Tony & Linda Licata are doing well in Texas and did not lose power or water during this storm.

Jerry Jacobus has been taking care of John Caldwell by taking him to appointments.

Lion Bill will start the process of completing the paperwork for the 2020-2021 Club Excellence Award.

Lion Bill also discussed the NW Lions Project Grant Support. This is an endorsement from our club. The board requested more information before making this approval.\*\*

**LCIF Campaign 100** Lion Helen shared the information about the current campaign of LCIF that runs to 2023. There will be a Tell-A-Thon happening on April 11. When members from our club make a donation, our club gets the credit towards our LCIF account. Helen requests that this information be shared on Facebook!

**Food Bank Food Drive** Lion Craig reminded us about our upcoming Food Drive on March 13. We need to find more ways to advertise this event. Lion Rick made a motion that up to \$150 be approved for materials and supplies for the Food Drive, seconded by Lion Martha and approved by the Board.

**MOD Pizza Day** is March 1. All details are set.

**Wastebusters** Lion Doug reports that there are 6 Lions registered for this activity. We are going up against Camas Lions Club. We need to work hard to make this a success. Lion Gay will ask Lion Doug to resend the link with instructions for being added to a group.

**White Cane Day** is scheduled for May 7. Lion Craig made a motion that we not participate in the standard White Cane Day fundraiser, seconded by Lion Shelly and approved by the Board. Lion Rick made a motion that we send \$1,000 to the NW Lions Foundation, seconded by Lion Craig and approved by the Board.

**WA Elementary School** Lion Martha reports that the school is not requesting supplies yet and will let us know when they need assistance.

**Membership Committee** Lions Craig and Mark Mansell discussed membership ideas. Fort Vancouver Lions has always been good at getting sign-up sheets passed around at meetings. Lion Mark suggested using the chat box during Zoom meetings. We need a method to be able to send out email information to the whole club. Our club brochure and Facebook page need to be updated about our location and our scholarship information. Let's keep up our enthusiasm for bringing in new members! Lion Mark reminded us about the Maui challenge!

Meeting adjourned at 11:15 A.M.

Next Board Meeting will be Friday, March 19 @ 10:00 A.M.

Respectfully submitted,  
Shelly Brown

\*\*At an additional Board meeting on Friday, March 12, 2021 to discuss the NW Lions Project Grant Support, Lion Craig made a motion to approve our support for the NW Lions Project Grant Support, Lion Helen seconded and the Board approved the motion.

## Lions Council Meeting March 16, 2021

Facilitator Jack Johnson, Salmon Creek Lions President, called the meeting to order at 6:30pm.

Lion Jack clarified the Zone Chair comments from the February Lions Council Meeting minutes. He has offered to be Zone Chair for the coming Lion year if no one else is willing to accept the position; if there will be a person responsible for communications; and a back-up person for times when he is unable to be in charge.

Lion Jack had asked that in preparation for the March meeting club officers name club members who could be potential Zone Chair candidates. He received no information on potential Zone Chairs.

Lion Helen relayed a request from 1st VDG Marilyn Patterson. District G needs a Global Service Team Chair. Lion Brian Wolfe will not be able to continue in that position. The GST needs to be someone who knows how to do service reporting and can help club secretaries or designated service reporters report the club's service hours to LCI.

Why is it important to report service hours to LCI? When other organizations such as the Gates Foundation or the Carter Foundation are considering partnering with a service group to develop a project such as the measles initiative in Central Africa, they want to know what the service organization does and how accountable it is; that information is in the service reports posted at LCI. It also helps district leaders plan projects and share service ideas among clubs. We can emphasize service reporting at a future Lions Council.

Club reports:

Fort Vancouver sponsored a drive by food drive, learned several things about organizing another one, and considered it a success for a first event. They will hold a shredding event at the United Methodist Church May 22.

Hazel Dell has continued its support of the community outreach center at Hazel Dell Elementary School. Several members have donated blood or platelets.

Salmon Creek has held no new events since February. They are planning a clean-up at Pleasant Valley Community Park in conjunction with the Water Shed Council. They are also planning a trash pick-up along 117th Street. They will hold a shred event May 22 to benefit the Free Clinic. Their annual flower sale information is on their web site.

Cascadia Lions are working on individual personalized graduation cards for all 700+ seniors. They will hold a bike rodeo this summer.

Vancouver Dawn will work with the City of Vancouver on environmental projects. Their Crystal Plum Bazaar is on track for November 13, 2021.

She asked if everyone was willing to promote clubs working together.

Lion Alan Ryasen said that Fort Vancouver is holding another Pulliam Pizza Party. They have elected next year's officers, four of whom are members who have not previously held club office.

Lion Maria said Cascadia could use help with the Bike Rodeo. She will have more information at future meetings.

Lion Casey reported that Camas Lions did clean-up at Camp Curry following the winter storm which brought down branches and damaged a cabin roof. They are selling spring bulbs; go to [camaslions.org](http://camaslions.org) to order. They will be presenting two \$2,000.00 scholarships to graduating seniors.

PDG Mark reported that because of the continuing border closure due to COVID the North West Lions Leadership Institute will be for the U.S. portion of MD19 only. It will be in Post Falls, Idaho. Currently Lions Casey, Stephanie, and Leslie are planning to attend.

2nd VDG Debbie said that she had sent Lion Jack the list of potential G-2 Zone Chairs that she made last year.

1st VDG Marilyn said there is a SWOT Analysis meeting via Zoom Saturday morning to discuss goals for next year. Pioneer Lions are selling Kettle Corn at the Safeway on Old Ocean Beach Highway on Saturdays. Lion Helen announced that the G-2 Spring Conference will be virtual on Friday, May 7th. She encouraged clubs to share 3 minutes talks about a project from this year. Saturday's events will be in person. Registration form will be available soon.

Remember the LCIF tell-a-thon on April 11, 2021.

Lion Alan Ryasen will chair the April 20, 2021 Zoom meeting. Meeting adjourned at 7:32pm.

Respectively submitted,

Kathy Morrison, acting secretary
