Queen Lion Gay

As I think about this year and the obstacles we have overcome, I am really proud of our club and members.

I think about the membership oath – You have expressed a desire to affiliate with this club and with Lions Club International, here is the Obligation of Membership

I do hereby accept membership in the Fort Vancouver Lions Club knowing that such membership encourages me to participate in functions of the club. To the best of my ability, I will abide by the Lions Code of Ethics, and contribute my share to the programs of my club, district and Lions Clubs International.

As an officer of the club, you take another oath accepting your responsibility of the office you are about to serve.

We help each other thru each process and by doing that we are able to serve our communities better.

We don't always agree it's how we disagree that matters. We need to always be kind to each other no matter what.

Great service projects this year. Well done.

In my message this year I have used the word **Linchpin**. It is defined as a person or thing that holds something together:

the most important part of a complex situation or system. It is vital to an enterprise or organization. We have had, in my opinion, linchpin members move or are no longer with us. I hope we do not lose any more. I hope we keep and build more linchpin members.

I look forward to serving one more year on the board as King Lion Bruce rules the Pride.

It has been an honor to serve as your president.

Sincerely,

**Queen Lion

Together We Can Do A Lot

On Saturday, May 15th, Fort Vancouver Lions helped Office Moms & Dads get their new offices ready to move in. We tore off molding, scraped off the former tenant's name and logo from the glass of the front door, primed and painted 5 of-fice spaces. The work was hard but the women truly enjoyed making the connection with others who want to serve our community.

Office Moms & Dads provide children coming into foster care a much needed kind and caring adult to comfort the anxious child who has just been removed from their home because of abuse or neglect. In the Department of Children Youth and Families (DCYF) office in Vancouver Office Moms and Dads play board or video games and provide snacks and a distraction so that child doesn't have to sit in the social worker's cubicle and listen to call after call being made to try to find a home for them.

Because of other community partners, there is a clothes closet for foster children in the Vancouver DCYF office with new clothes so Office Moms & Dads can give every child they serve 2 new outfits complete with underwear and socks. There are several church groups that provide a handmade quilt for each child coming into care. Also the owners of the McDonalds restaurants had provided a new duffle bag for each child to transport all of these new things. Working with Community Partners is making a big difference in the lives of children in foster care, a very vulnerable part of our population.

Shred Event Saturday May 22nd

Early Saturday morning May 22nd, 20 some Lions & friends met at the Mill Plain United Methodist Church to work our 1st ever Shred Event. What a fun time we had as we collected paper, donations, gave out flyers & greeted over 200 cars filling 28 barrels of paper raising \$1,564 for the Sight & Hearing Committees. We received a "Certificate of Destruction" from Le May Mobile Shredding for our efforts.

Special thanks go to Ralph Harding for getting the site for this event & staying to the bitter end.

Thanks to Eva's efforts we all looked "cool" in our new Fort Vancouver Lions Jackets. Promotion with Cheri Perry's Face book, Instagram posts, and Katie's "Next door" app posts.

Also thanks to our 10 Corporate Sponsors who each donated \$100 to help offset the costs associated with this project.

We are looking at holding another Shred Event in October!!
Thanks again everyone for such an enthusiastic response, working & supporting this great event.

MD 19G SPRING CONFERENCE ROARING WITH GUSTO

Lions of our District gathered the weekend of May 7-8th to participate and support DG Doug Harvey as he ends his District Governor leadership year.

Friday was a virtual event with a Kick Off presentation by Delaware VDG Daniel Elkins. Lion Elkins talked about the importance of Lions partnering with other clubs and community groups. His slide show had many examples of successful projects. Some of which might be doable in Zone 2.

PDG Steve Staudinger announced the voting results – 1st VDG Marilyn Patterson and 2nd VDG Debbie Mansell will be serving as DG and 1st VDG next year.

Each Zone presented a successful club project that was completed this pandemic year. It was surprising that most of the presentations were exactly what VDG Elkins talked about. GREAT JOB! **Jennifer Denny** and **Eva Halter** on sharing how our Santa Store adapted to the virus.

During our Lunch break, Lions were entertained by a wonderful and informative slide show – put together by our own **Dotty Scott!**

Featured speaker was ID Larry Edwards with inspiring words for all. He also participated in the awarding of several International Awards.

The day concluded with Learning – sessions designed to increase our Lion knowledge.

SATURDAY PICNIC AT THE PARK!

- PDG Steve Patterson led the Memorial Service for District G Lions from 2020-2021 who are no longer with us.
- Zone Chairs reported on the happenings with their clubs. - Hats off to **Lion Cheri Perri** for presenting the Zone 2 report. – Well done! Cheri
- Our club received Certificates for: NEWSLETTER EDITOR –**Lion Shelly Brown**; GLOBAL SHOWCASE DISPLAY and NEW SERVICE PROJECT CHALLENGE.
- DG Doug introduced our in-coming Zone Chairs – **ZC Eva Halter** and **AZC Gay Eneyeart**.
- Longview Pioneers provided a great barbecue lunch AND it was FREE!!!

A Great time was had by all.

Bruce Armstrong

Who's Who in Fort Vancouver Lions Club

I have been a member of the Fort Vancouver Lions Club for 15 years, and a member of other clubs around the state of Washington as the Armstrong family has moved, for 15 years, so I am a 30-year Lion! However, my Lion roots go much deeper. My father was an active Lion for many years and included his family in Lionism through participation in Lion Club events. I have very fond memories of picnics and other gatherings as well as fundraising activities such as the annual Christmas tree sale, and being sent out around our neighborhood in Berkeley, CA with a box of Lions Club Lightbulbs to sell (Anyone remember the Lions Club Lightbulb sale?).

I learned some very important things from my father and his involvement in Lions – commitment, loyalty, and service to others. I have tried – sometimes more successfully than at other times – to live up these important standards.

I was born in Phoenix, AZ and grew up in the San Francisco Bay Area (a very interesting place to live in the 1950's and 60's as you might imagine!). I started off in college to become a high school history teacher, but through those years (remember those were the turbulent 60's), and through circumstances and experiences, I felt a strong call from God to become a minister (it's a long and complicated story). Following college graduation and seminary, I served on the staff of Young Life, a Christian ministry for high school students, and then was ordained as a minister in the Presbyterian Church, where I served 5 congregations for a total of 30+ years.

So, why did I join the Lions Club? As I mentioned, my father was a strong influence. He didn't live to see me become a Lion in 1979, but I'm quite sure that he is proud of my commitment, loyalty and service to others! There are 2 other reasons I joined Lions. I love our motto (which I prefer to think of as our mission statement) WE SERVE. Over the years in my calling as a pastor I have had plenty of opportunities to serve others, but Lions Club offers one more venue. And I appreciate the friends and partners in service that I have met through Lions – yes, including those of you reading this article!

My personal life revolves around my family; Angie (married for 53 years), 3 children and 7 grandchildren (ages 2-21). I enjoy reading (history, biography, mystery), walking (goal 2-3 miles, 5 day a week) and sports (favorite baseball). I look forward to more years of service in the Fort Vancouver Lions Club!

**Fort Vancouver Lions Club and Foundation Board Meeting
Friday April 16, 2021 10:00 A.M.
Via Zoom in the time of COVID-19**

Queen Lion Gay called the meeting to order at 10:03 A.M.

Board Members Present: Queen Lion Gay, Rick Giles, Helen Sutfin, Bill Shalaby, Eva Halter, Allen Rhyasen, Martha Johnson, Craig Limoges, and Shelly Brown. A quorum was present.

Standard Reports to the Board:

Secretary's Report: A motion was made by Lion Rick, seconded by Lion Eva and approved to accept the minutes from the March 19, 2021 Board meeting.

Treasurers Report: Lion Rick gave the Treasurer's Report, noting that a computer was purchased, as authorized by the Board. \$305 was received by the Tail Twister. The club received \$20 from MOD Pizza and have received the money from one sponsor for the Shred Event. The Vanguard account has shown an increase in value.

A discussion of unpaid dues followed. Lion Rick will follow up with members who need to pay their dues.

OLD BUSINESS

20.21.19 Shred Day Update Lion Allen indicated that the 10 Corporate sponsors have been billed. Banner has been ordered and will arrive by the end of the month. Traffic cones will be borrowed from Salmon Creek. Lions Allen and David retrieved the sandwich boards from the shed. Signs are being made to put on those. Lion Allen wants to make sure that this event is promoted. An email with the flyer will be sent out to the fruit customers. Lion Adam is bringing some scouts to help as volunteers. He is still working on filling all the volunteer slots. Lion Allen is also looking at a second Shred Day Event in October.

Spring Conference and International Convention: Lion Helen is hoping for a good turnout for both of these conferences from the club. She also reminded the Board that the Zone Meeting is next Tuesday, to support the nomination of Lions Eva and Gay as Zone Chair.

Tri-Fold: Lion Shelly shared the progress of the tri-fold that will be presented at the picnic at the Spring Conference on May 8.

Membership: Lion Craig has been communicating with a new potential member. He has received an application and has indicated an interest in join the club.

Fruit Committee: Lion Allen is looking for a new Chairperson for the Fruit Committee. It looks like the Frozen Fruit sales in August will happen, but not sure about the Apple/Pear sales.

Flag Project: Lion Allen shared that Lion David heard from the Marine Corps and they have disbanded the local chapter. They are unable to deliver the Flag Project for our club. Lion David is checking with scout troops to see if they can provide this service.

NEW BUSINESS

20.21.20 New Member Application: Lion Eva gave a verbal introduction of Anna Doane. She has applied as a Student Member. Lion Craig made a motion to accept Anna as a new member, seconded by Lion Shelly and approved by the Board. Welcome Anna!!

Survey Results: Lion Rick shared the results of the recent survey sent to the club. Most people are not ready for in-person meetings. A suggestion to continue Zoom Meetings along with in-person meetings was made.

Year End Celebration: Lion Gay asked the Board if an in-person end of year activity would be doable? There is a large room at the church she attends that would be available. A suggestion was made to add a Zoom Meeting to this in-person event. A suggestion was made to have it as a dessert function to avoid having to have catered food that would get cold quickly. Lion Gay will coordinate with Lions Len & Jen, Lion Eva, and Lion Bruce.

Charity of the Month: Lion Rick made a motion, seconded by Lion Allen, and approved by the Board to send a \$100 donation to the Columbia Play Project. Lion Bill made a motion, seconded by Lion Rick, and approved by the Board to send \$500 to the Hearing Committee and to the Sight Committee.

Club Votes: Our club has 6 votes for District officers. Lion Gay recommended that the voting members be the Past President, President, 1st Vice President, 2nd Vice President, Treasurer and Secretary. Votes are due by April 30th.

Meeting was adjourned at 11:12 A.M.

Next Board Meeting will be Friday, May 21, 2021 @ 10:00 A.M.

Respectfully submitted,
Shelly Brown

Lions Sight Foundation of Clark County ZOOM Minutes May 4, 2021

Attending: Jeff Fish, Stephanie O'Dell, Bill Lundin, Ralph Harding, David Page, Michael McCamish, Susan Nellor.

Meeting called to order at 6:35 by Jeff Fish.

Approval of April minutes: Jeff Fish asked for a motion to accept the April minutes as presented. Motion made by Ralph and seconded by David Page.

Approval of Treasurers report: Jeff Fish asked for a motion to accept the report as presented. Motion made by David Page and seconded by Bill Lundin.

Ending balance from April is \$8,255.00. There were no receipts. 10 vouchers were disbursed totaling \$1,125.00. (There are 20 pending vouchers). Endowment accounts total \$65,746.00. The total of endowments and April balance is \$72,876.00.

New Business: Bill Lundin requested that his name be removed from the slate of officers for the 2021-2022 year. Jeff Fish made a motion to add Stephanie O'Dell to the ballot of officers for the upcoming 2021-2022 year to fill the Vice President position. Motion made and approved.

The question was asked: How is the Sight Committee going to use the Zenni certificates/vouchers? Stephanie O'Dell explained the Zenni process and volunteered to be the Zenni PCC. Those in attendance discussed and decided upon the following Zenni restrictions: There will be a spending dollar limit, to be decided. The vouchers will cover basic glasses, no special coatings, basic frames, basic lenses unless prescribed by the Optometrist/Ophthalmologist. Motion made by Ralph Harding and seconded by Susan Nellor. There are no Zenni patients yet. The Sight Committee is looking for Patient #1, hopefully a 20 something client, this will probably be our target client, to try the Zenni experience.

The new partnerships with America's Best and Stanton Optical were discussed. Bill Lundin volunteered to be the point person for America's Best. There is the possibility of 5 vouchers per month from America's Best. Ralph will make contact with Ryan Bedroseian, the area manager.

Jeff Fish and Stephanie O'Dell reported on their presentation at the March Zone Meeting. The big surprise is that Clark County Lions do not know that the CCLSF is their own Foundation. Susan Nellor was assigned the task to make contact with the 13 incoming 2021-2022 Lions Club Presidents and trustees and get them included on the email meeting minutes. Bill Lundin volunteered to do the orientation of new Club Presidents and Secretaries and fully explain the function of the Sight Foundation and to make an ask to be included in their annual budgets.

Stephanie O'Dell will either apply for a grant to defray cost of video production or ask for a motion to spend treasury money for grateful client video production. This will be carried over to June meeting.

Old Business: In the continuing search for a Patient Care Coordinator, Jeff Fish will draft a letter and send it to each of our partner Medical offices.

PCC Report: Ralph introduced a traumatic brain injury client who needs four different types of corrective eyeglasses. A suggestion was made to contact Zenni to see if they could make these eyeglasses.

24 applications were received. 20 were approved, 4 denied. 2 applicants had sufficient funds, 1 was too soon and 1 was not a Clark County resident.

Meeting adjourned at 8:00

June 1, 2021 is the next ZOOM meeting.
