VOLUME 68 ISSUE 1

King Lion Bruce

On Friday night, June 25, more than 60 Fort Vancouver Lions Club members, spouses, friends, and Lions Club dignitaries met to celebrate the achievements of the 2020-21 year, and what a year it has been! Queen Lion Gay Enyeart and her Board of Directors did a magnificent job of navigating through the very challenging Covid pandemic year. Thanks to each of you who served with energy, passion and commitment – well done, Lions!

The Friday gathering also provided an opportunity to “catch up” on several important matters, like meeting in person! Zoom meetings have been a great gift to Fort Vancouver Lions – thanks to the technical skill of Dotty Scott, Shelly Brown and others – however it’s not quite the same as a face to face greeting, handshake or hug!

We were also able to welcome two new members into the fellowship of Fort Vancouver Lions Club. District Governor Doug Harvey inducted Anna Doane (sponsored by Eva Halter) and Steve Enyeart (sponsored by Gay Enyeart). Welcome Lions Anna and Steve, we are looking forward to getting to know both of you, and serving with you!

The presentation of Melvin Jones Awards to Lion Doug Wilson and Clark County community leader Mark Matthais reminded us that our commitment is to serve others, especially those in need. Lion Doug and Mark are examples to all of us

to remember that those who receive much are encouraged to give much in return.

Throughout the evening Queen Lion Gay presented gifts and awards to many Lions members, and District Governor Steve Patterson presented Lion Eva and Lion Gay with Gordon Smith Awards for their strong leadership in our club and district.

With good humor, and some unusual gifts, our own PD Governor Steve Staudinger installed the 2021-22 FVLC officers. I am looking forward greatly to serving with this group of ambitious, committed and very special Lions who have stepped up to make our club effective in our continuing mission – WE SERVE! It was a wonderful and enjoyable evening, let’s keep the energy going!

**Yours in Service,
King Lion Bruce Armstrong**

Dear Fruit Customers,

COVID has affected us all this past year & the extreme hot temperatures did a number on Fruit crops in the North West. We were not able to offer our fresh strawberry sale in June the past 2 years. We are looking forward to selling them again next year.

Columbia Fruit Co has confirmed that we can offer flash Frozen Strawberries & Blueberries but Marion Berries & Raspberries are questionable.

We will send another email out at the end of July with more info.

Our costs did increase this year for Strawberries & Blueberries but we kept our price the same as last year.

Please order as many boxes as you can use.

Thank you again for your continued support.

Cheri Perry

Who's Who in Fort Vancouver Lions Club

They say that all of life is about relationships and boy did I hit the jackpot when I met Dean Perry in Spokane Washington! It really was love at first sight- that was 32 years ago (just celebrated our 31st wedding anniversary) and I am both pleased and blessed to say he is still my very best friend. We have created a wonderful life together- lots of highlights but the most important is our Son Tyler. Many of our Fellow Lions first met Tyler when he was just 4 years old- he LOVED the Walk-N-Knock program and he loved being a part of our group. Today, Tyler is 25 years old, living in Montana and carving out his own future- we are so very proud of him! Dean and I live in Battle Ground. 25 years ago, Dean and I started a company out of our home helping businesses accept and process their credit cards. Today, Total Merchant Concepts (TMC) is a successful national processing company and a whole lot more! At first it was simply a way to make a living but over the years, it has grown into a passion for me. Years ago, I was at a conference and was asked this question; "What are you doing with the people God gave you?" It was in that moment that I knew I could be doing a better job! Today, I am so grateful to have an award-winning team (Nationally and in our own state!!) and a place where people go to GROW!

Today, TMC still processes credit cards nationwide. We also help businesses and people with their personal growth and business development. Our team has a PASSION for people and that brings me back to our Lion's club.

Nearly 21 years ago, I joined the Fort Vancouver Lions Club. I joined because a very important person in my life said it was a good organization that made a positive difference. I wanted to be like Dr Wally Teuscher- he believed in me and gave me hope for a bright future when things were tough. Lionism is so much more than all of the good things we do (AND THAT'S A LOT)- it's about being the kind of person who stands in the gap when people need you. It's about being a 'Dr Wally Teuscher' in the lives of those that 'God gives you'.

When Al Rhyasen asked me to consider getting more involved, I realized that taking care of people is exactly what our Lions Club, my business and my life are all about. So I said yes.

(Thank you Al - for believing in me as well!) It will be a tremendous honor (and JOY) getting to know our club again and finding ways to be of service!

**Fort Vancouver Lions Club and Foundation Board Meeting
Friday June 11, 2021 10:00 A.M.
Via Zoom during the time of COVID-19**

Queen Lion Gay called the meeting to order at 10:02 A.M.

Board Members Present: Queen Lion Gay, Martha Johnson, Rick Giles, Allen Rhyasen, Helen Sutfin, Bill Shalaby, Craig Limoges, Eva Halter and Shelly Brown, future Board Members Bruce Armstrong, Pati Sluys and Cheri Perry were also in attendance. A quorum was present.

Standard Reports to the Board:

Secretary's Report: A motion was made by Lion Rick and seconded by Lion Allen to approve the minutes as presented from the May 21, 2021 Board Meeting.

Treasurers Report: Lion Rick gave notice to the Board that there were 3 charges to the administrative fund on the club debit card that were made in error. "There were 2 to WinCo and one to Future Forge Landscaping. My personal debit card and the club's administrative fund debit card look identical, and I mistakenly made charges on May 24th for \$104.16, \$256.28, \$113.37, totaling \$473.81. This was discovered during reconciliation of the administrative checking account. I have deposited these amounts back into the administrative fund, so the net is \$0. To keep this from happening again I have removed the debit card from my wallet and will keep it with the club's computer. I would like this to be reflected in the minutes for the next financial review." Lion Rick reported that we are finishing this year with \$1200 more in the Administrative account than we started the year. Regarding the Foundation account, a member donated \$1500 and directed \$500 to CARE and \$1000 to LCIF for a Melvin Jones Fellow to be named later. Those checks have been mailed. Another member donated to CARE and to LCIF that didn't go through the club. The current amount in the Foundation account is above \$1003.61. We had agreed to have a net-sum-zero budget. Lion Rick suggested that we make our budgeted donations to: \$100 to Seafarer Center, \$100 to Camp Leo, \$100 to Gales Creek Camp, and \$100 to LERC. A motion was made by Lion Helen, seconded by Lion Rick and approved by the Board to send \$100 to MD-19 Care. Lion Allen made a motion, seconded by Lion Martha to move \$1000 from the Administrative account to the Foundation account to fund donations we have not fulfilled. The motion was approved by the Board. The Board approved donations of \$800 to Clark County Sight, and \$800 to Clark County Hearing.

OLD BUSINESS

20.21.22 Frozen Berries Fund Raiser Lion Allen gave an update on the Frozen Berries sale. He will be contacting Columbia Fruit to confirm the price. The committee has decided to put 8,000 flyers in the Columbian in specific zip codes to get new customers. All seems to be going forward. August 18 is the last day to order and delivery is Saturday, August 21st.

20.21.23 Partners with Hillcrest Church to honor Foster Kids Lion Eva shared that the plans are going smoothly. She wants to make sure that we have as many Foster Families as possible. She still needs volunteers for the event. Lion Eva will have a tent with information about Lions.

20.21.24 Model Club Lion Helen discussed the information that she sent out to the Board members. This is a campaign that runs up to June 2023. We have \$19,416 as our goal. There are only 3 Model Clubs in the district. Lion Allen made a motion that we become a Model Club recognizing that we would like to raise \$19,000+, to meet our club goal of \$27,500 by June 30, 2023. The motion was seconded by Lion Craig and approved by the Board.

Year End Celebration Lion Gay reminded the Board that this event will be happening at Salmon Creek United Methodist Church. Please let Lions Len & Jenny know of your plans to attend. A motion was made by Lion Gay that the money raised from the Silent Auction will be sent to Gales Creek Camp to help with a scholarship for a student. Motion was seconded by Lion Eva and approved by the Board.

Observation Report: July 1, 2018 – June 30, 2019 Lion Allen reported that he and Lion Gay completed the observation of the books from July 1, 2018 – June 30, 2019. The committee found that the financial records of the Fort Vancouver Lions Club and Foundation were in good order. The committee commends those administering the Club funds and their attention to detail. Lions Bill and Gay will complete the observation of the 2020-2021 books in July.

NEW BUSINESS

20.21.25 Removal & New Check Signers Lion Rick and Lion Bruce have recommended that the following members be removed from the signers list: Lion Allen Rhyasen, Lion Bill Shalaby, and Lion Eva Halter. Added signers will be Lion Bruce Armstrong, and Lion Cheri Perry.

20.21.26 Dues statement & Billing for advertisement in newsletter Lion Rick will be sending out the dues statements this week. Lion Gay confirmed with Rick that he will send out billing statements for the advertisements in the newsletter.

20.21.27 Chair Budget & Finance Committee Report – Lion Gay has chosen Lion Allen Rhyasen as the Chair of the Budget and Finance Committee. He has a good feel for the incoming budget. Pati Sluys, Rick Giles and Allen Rhyasen are working on the budget and will work to prepare a presentation for the Board for the July meeting. The Finance committee will be Gay Enyeart and Bill Shalaby. They will complete the observation of the July 2020-June 2021 books and they will make a report to the Board.

Meeting was adjourned at 11:15 A.M.

Respectfully submitted,

Susan Nellor, Secretary

CLARK COUNTY LIONS COUNCIL June 15, 2021

PZC Ryan Morrison called the meeting to order at 6:32pm. PZC Ryan asked the club representatives to:

Give an overview of the last couple months; Tell one triumph of the year; and
Tell one thing they or their club learned from working through the pandemic.

PCC J. D. Nellor reported that Vancouver Lions are meeting once per month. Their current project is assembling personal care product packages and delivering them to homeless people. Vancouver members learned to use computers; communicate; get thing done; operate with one chief instead of 30.

President David Goggin said that Vancouver Dawn is doing very well. They are meeting in person every other Wednesday. They view themselves as Phoenix rising from the ashes. They have an active partnership with the Vancouver Downtown Association. Their PDG Bill Karcher "Books for Tots" project is taking off. He said it was amazing to see the adaptability; quoted Santana, "history is a string of one damn thing after another."

PCC J. D. asked for information on the book project. David explained that Vancouver Dawn is working with the visiting nurses to provide books for children ages 0-2 (or maybe 3 or 4 if it's a good book). The nurses leave the books when they make home visits. The goal is to interest very young children in reading. If you would like to donate new or gently used books call David and he will make arrangements to pick them up. (Ed. note - checks accepted - the nurses will use the funds to buy books). David said Dollar Tree has sturdy infant/toddler books.

ZCE Eva Halter said Fort Vancouver is also alive and well. They are looking forward to their year-end party on June 25th. They purchased "I have been COVID vaccinated" buttons to sell or donate/accept donation for. Fort is volunteering at the Hillcrest picnic July 4th. They have learned that where there is a will there is a way. It has been fun to figure out how to do things; to develop community partners for projects and party anyway.

Ken Malone, North Clark, said they had a successful Memorial Day helping Amboy. They were unable to do some of their usual projects. They looked at fund raising differently and successfully.

President Ryan reported that Hazel Dell is working on the Club Rejuvenation Project. They have several service projects scheduled. He said the stick-to-it-ness was heartening. It was the older members of the club who attended the Zoom meetings.

President Casey O'Dell reported that Camas did a member survey via telephone. Members started using Zoom. They are studying the results. They did a service project in Camas. Their paper shredding event brought in food and cash. Their triumph of the year was completing all the paper work and becoming a 501 (C) 3 organization. They learned that Zoom is here to stay.

ZC Leslie Chasse reported that an 89 year old member used Zoom and loved it.

Rick Haddock, incoming President, reported that Salmon Creek is continuing its partnership with the Salmon Creek Watershed Community Park. They are the official partner for the Salmon Creek Trail clean-up. They loaned their vision screening equipment to school nurses; a total of 4,000 students were screened. The May 1st flower sale was a success. They are becoming a Century 100 club. Salmon Creek has gained 6 members for a current total of 20. They are signed up for Give More 24 in September. They are working on Styrofoam recycling.

Installation will be in person on July 24. They learned that technology use is here to stay; they still also need some in person meetings for the camaraderie. They were able to repurpose some projects (vision screening). The Kids' Fishing Derby will be in April. They will be participating in Walk and Knock.

DGE Marilyn Patterson reported that Longview Pioneer is meeting. They have learned that they will be able to do all their usual summer projects. The County Fair will be an outdoor only event; they have the chuck wagon at the rodeo. The summer Concerts in the Park series is on.

They will be happy start making money.

PP Bill Shallaby, Fort Vancouver, said their food drive and shredding events were successful. They focus on Washington Elementary. He said their triumph was to hold meetings regularly via Zoom and to have a speaker at each meeting. They voted to be a Model Club. Their membership is growing.

(Continued on page 12)

GMT Leader Stephanie O'Dell said MD19 is continuing on the Membership Pathway. Feedback from the Captains' meeting was to keep it simple. The Club Rejuvenation Project title will be changed and the program will be simplified. She will want to visit clubs to explain the refreshed program. A group comes up with more ideas than a single facilitator does so they are forming a Membership Committee. If you would like to be on the committee, contact Stephanie.

PDG Mark Mansell congratulated Lions Leslie, Stephanie, and Casey on graduating from the North West Lions Leadership Institute. The next NWLLI will be in Harrison Hot Springs, British Columbia in May, 2022. Zone Chair training is via Zoom June 19th and 20th. New officer training is July 24th and September 25th.

DGE Marilyn asked if anyone would be attending the International Convention and if so, if they were a voting delegate. MD19 has endorsed a candidate and she encourages voting for him. She promoted the Club Excellence Award. The Excellence goals are good guidelines for the club year. PZC Helen said the officer excellent goals are also good guidelines. She emphasized that to achieve an officer excellence the officer must have attended officer training that year even if he/she had attended previously.

PCC J. D. said that MD19 has endorsed Fabricio Oliveira for International Vice President.

1st DGE Debbie has been busy with training. Peninsula held 3 fund raisers. She installed new officers.

DGE Marilyn has written a welcome and congratulations letter which she will send to all new members during her year in office.

2nd DGE Leslie said NWLLI was a great experience. He is looking forward to the challenge. ZCE Eva is looking forward to next year and is excited about visiting the clubs.

GMT Stephanie is sending a Sight letter to all clubs reminding them that it is for all clubs in Clark County. She is asking that it be a line item in each club's budget. She needs to refresh the mailing list. The Sight Committee has connected with the Zenni Optical Club in California which provides vouchers free of charge to other Lions clubs to use to provide glasses to applicants. PDG Doug Hall is Retention Chair for MD19G. Jason Rivers, La Center past president is on that committee.

PZC Ryan thanked everyone for coming.

Meeting adjourned at 7:28pm.

Kathy Morrison,
Secretary pro tem
