Lions are people who are

**CHANGE**

**THE WORLD**

**AND WE DO.**

# WHO ARE WE?

Established in 1955, the Fort Vancouver Lions serve the sight and hearing impaired, the disadvantaged, homeless and hungry, and at-risk students and families of our Vancouver and Clark County community.

We are a part of Lions Club International, the largest service organization in the world. Inspired by Helen Keller during her convention speech in 1925, the Lions continue to be known for their mission around sight and hearing disabilities.
